Volunteering, Activities and Information

Sunflower Competition

Never had the time to get to know your neighbours ? Now might be a good time.

As we are all in our own homes a little more let us know if you would like to be part of the “bringing the sunshine to Kirkby Overblow” competition. All you have to do is email Lucy on [REDACTED] and we will supply you with a sunflower seed to plant and grow over the coming months... keep us updated on the Kirkby Overblow community facebook page with photos of how well it is growing. There will be prizes for the tallest and any other extraordinary sunflowers. Please do enter – depending on numbers and seed availability there may have to be restrictions on numbers per household so let me know how many children in the house and adults too if you would like to join in. Look forward to hearing from you and good luck.

Church News

Welcoming the new Vicar- a message from our Churchwardens

Welcoming the new Vicar-a message from our Churchwardens

In these very uncertain times we would like to extend a very warm welcome to the Reverend Craig Marshall ,his wife Jane and their four Children Charles, Sophia, Henry & George who have recently moved up to the benefice from St Mary Bourne in Hampshire.

In one of Craig’s letters to his previous parishioners he talked about the idea of a journey, saying the Bible is full of accounts of inspirational journeys all of which have given him a sense of purpose over the years.

As Churchwardens we are very happy that he and his family have embarked on the journey up to Yorkshire in response to our calling for a new Vicar. We sense that Craig and his family will be a great asset to the benefice and the wider community and his arrival could not be more opportune.

Liza, Jeremy and Jim

Please go to the website to see an email from Rev. Craig Marshall.
