# The Kirkby Overblow COVID Newsletter

Dear Village Resident

We hope that you are all managing as we again, return to a national lock down. We wanted to let you know that as a Committee we are here to help in any way in the coming weeks. We really appreciate that this is not an easy time for people so please do contact any one of us for a chat, support or advice.

North Yorkshire County Council have circulated guidance concerning the latest, more virulent strain of the virus and the advice is to stay at home and not to see anyone outside of your bubble. One of the key risks is inviting someone else into our homes as many people have no symptoms at all. Please do click on the link below and keep safe.

We will send a newsletter on a needs basis rather than weekly but please do contact us if you have any queries as we have a team of people who are willing to help.

Having reconvened as a Committee, we are again offering a food shopping service to anyone who needs our support. Please contact Lucy Crack if you are shielding and for anyone else, if you need some support with buying essentials, contact us and we will order online for you. Lucy and the team are available for any support needs so do give her a call.

If you would like Kate to offer a prescription delivery service again please can you contact her and let her know. All of our phone numbers are at the bottom of this newsletter.

## News from the Shoulder of Mutton

Kate will be offering her take away meals again on a Friday, Saturday and Sunday. Please view the menu on the website and telephone, message or email to place your order (we are having problems with the app so avoid using that for now):

Kate Deacon. The Shoulder of Mutton, Main Street, Kirkby Overblow, Harrogate.  
HG3 1HD

Tel: 01423 871205

## Church News

## All Saints Church

Because of the national lockdown there will be NO services in church for the moment. Information about the 'zoom' services taking place can be found at <https://www.allsaintschurchko.org/services/> and there is also a link to request an invitation for the 'zoom' services if you are not already receiving these.

## And Finally...

As always, do let us know if there is anything you wish to share on the newsletters and also if you need any help, advice or support.

Take care of yourselves, **stay home as much as possible** and **stay safe**.

**Best wishes**
